[Click here](#) or call between the hours of 10:00am – 4:00pm Monday through Friday to schedule an appointment. Fees must be paid prior to surgery. They also operate a low income veterinary clinic for those who may not otherwise be able to afford proper veterinary care. Please call (312) 644-8338 to speak with a clinic receptionist for details on services and qualification criteria.

AntiCruelty's Pit Pals & Feral Cat Program

If you own a pit bull or a pit bull mix, you may qualify for participation in our Pit Pals Program, which means you can have your pet spayed or neutered for free. Feral cats, too, can be spayed or neutered for free. For more information, please call (312) 644-8338.

LOW COST SPAY / NEUTER CLINICS

PAWS Chicago Lurie Family Spay/Neuter Clinic

3516 W. 26th Street
 Chicago, IL 60623
773-521-7729
www.pawschicago.org

The only way to control dog and cat overpopulation is by decreasing birth rates. Unfortunately, many people can't afford the high cost of spay/neuter surgery for their pets. This is why we opened the Lurie Family Spay/Neuter Clinic - the only clinic of its kind that is located in and serving Chicago's neediest areas.

All services are by appointment only.

To schedule an appointment call **773-521-7729** from 9:00 a.m. to 5:00 p.m.
 Clinic Hours: Sunday, Tuesday through Thursday.
 Selected Saturdays from 6:45 a.m. to 6:00 p.m.

Spay/neuter surgery for dogs, puppies (add'l fees for 50lbs+)	\$125.00
